## South Piedmont AHEC Regional Advisory Committee Application

Thank you for your interest in applying for membership with the South Piedmont Area Health Education Center Regional Advisory Committee.

### Purpose

South Piedmont AHEC, a department of [Atrium Health](#) and part of the [NC AHEC Program](#), strives to fulfill our mission of providing and supporting educational activities and services with a focus on primary care in rural communities and those with less access to resources to recruit, train, and retain the workforce needed to create a healthy North Carolina. Our vision is that every North Carolinian is healthy and supported by an appropriate and well-trained health workforce that reflects the communities it serves. South Piedmont AHEC is one of nine centers in the NC AHEC Program and serves Anson, Cabarrus, Cleveland, Gaston, Lincoln, Mecklenburg, Stanly, and Union counties.

The Regional Advisory Committee will meet ten times per year, either face-to-face or virtual. Each meeting will consist of opportunities to discuss best practices in continuing education and workforce development initiatives. For more information, please visit our [website](#).

We appreciate you considering involvement and for the personal time and energy that you will be putting into this important aspect of building the transformation of health care education and services in North Carolina.
