

SOUTH PIEDMONT AHEC

PART OF NC AHEC

Pharmacy-Based Immunization Updates 2023

Thursday, September 7, 2023

6:00 pm to 9:15 pm

Zoom Webinar

Charlotte NC

*Co-sponsored by South Piedmont AHEC and
The University of North Carolina Eshelman School of Pharmacy.*

Target Audience: Pharmacists, Pharmacy Technicians

Goal:

This knowledge-based CPE activity will provide pharmacists and pharmacy technicians with current updates on immunization practices in the United States, updated recommendations from the recommendations from the Centers for Disease Control and Prevention (CDC), a review of best practices for administering various types of immunizations and review up-to-date vaccine related information.

Pharmacist Course Objectives:

At the completion of this knowledge-based activity, the participant should be able to:

1. Discuss updates to the Centers for Disease Control and Prevention (CDC) Advisory Committee on Immunization Practices (ACIP) recommendations for childhood and adult vaccines.
2. Describe the proper use of key vaccines, including but not limited to, influenza, pneumococcal, shingles, tetanus (Td/Tdap), human papillomavirus (HPV) and hepatitis B vaccines.
3. Utilize CDC recommendations to determine needed vaccines for a patient.
4. Identify resources to stay up-to-date on vaccine-related information.

Pharmacy Technician Course Objectives:

At the completion of this knowledge-based activity, the participant should be able to:

1. Identify vaccines commonly available at the pharmacy for childhood and adult immunization.
2. Understand the importance of the vaccine information sheet and requirements of its distribution.
3. Recognize successful methods and roles of the pharmacy technician for increasing access to information and provision of vaccines available at the pharmacy.
