

2nd Annual

# SpineFirst Symposium

Ensuring our Patients Finish **First!**

Join us for a multidisciplinary event dedicated to putting patients first! This event brings together a team of experts from Atrium Health and Carolina NeuroSurgery & Spine Associates, including spine surgeons, physiatrists, sports medicine providers, physical therapists, and more! This symposium will focus on spinal care best practices, covering everything from prevention to post-surgical care.

## SpineFirst

**Friday, September 29, 2023**

Symposium: 7:30 am – 4:20 pm

*Join us after the symposium to hear from our NASCAR-featured guest speaker!*

Atrium Health

### Course Learning Objectives:

- Discuss the importance of partnering with our community care providers to ensure that patients achieve and maintain optimal health status to ensure the best outcomes throughout their spine care journey in the nonsurgical and surgical settings.
- Discuss the patient journey starting with prevention through potential postsurgical care and the roles of the care teams involved to ensure that patient needs are met and patient satisfaction is achieved.
- Discuss recent innovations in surgical spine care and the appropriate transition of inpatient cases to the outpatient setting.
