Thursday & Friday, March 27 & March 28, 2025
Courtyard by Marriott, Carolina Beach, NC

Join Us in Celebrating Our 15th Anniversary!

We are highly enthusiastic and honored to collaborate with our esteemed presenters from across the state and beyond to bring you the 15th Anniversary Beyond the Manikin Conference, celebrating our long-standing tradition of showcasing best practices in healthcare simulation education.

This conference will feature the latest trends and innovations from nursing schools, pre-professional programs, hospitals, and interprofessional education simulation centers for novice to expert level of training support.

Don't miss out on this incredible opportunity to learn, share, and network with your fellow simulation education colleagues and strengthen your program's simulation lab capabilities.

On Thurs., March 27, we will host a dedication reception at the end of Day 1, to commemorate our key program leaders and supporters of our 15 years journey in simulation education.

This conference is jointly provided by Southern Regional AHEC, Duke AHEC, Piedmont AHEC and South Piedmont AHEC, in collaboration with NCNA Simulation Council
