Program Description

Join us for a comprehensive and engaging day of learning and networking at the 1st Annual Medical-Surgical Nursing Conference. This event is designed to bridge the gap between knowledge and practice, providing attendees with the latest advancements and practical skills in the field of medical-surgical nursing.

*** This event is jointly provided by South Piedmont AHEC and Southern Regional AHEC. ***

Learning Outcome

At the conclusion of this educational activity, participants will be able to apply evidence-based practices in medical-surgical nursing to improve patient outcomes across diverse populations, with a focus on physical assessment in Gerontology, medication management for aging populations, diabetic emergencies, post-surgical complications, and legal considerations.
