

The NC AHEC RN Refresher Program

Are you ready to return to nursing?

Exciting news! The NC AHEC RN Refresher Program has been **revamped** and is now available at a **new, lower price**.

Upgrade your skills and reignite your passion for nursing!

If you're a registered nurse with a lapsed license over five years, or an active RN looking to update your knowledge, the NC AHEC RN Refresher Program is here to help! We're committed to helping more nurses return to the field, opening a variety of career pathways, and investing in your commitment to improve the state of healthcare across North Carolina.

We offer a **flexible program**, approved by the NC Board of Nursing, that can meet your busy schedule!

The program consists of 24 self-paced online modules and a 140-hour clinical practicum managed by your local AHEC. For RNs with an active license who are simply seeking to refresh their knowledge, the clinical practicum is optional.

So what are you waiting for?
